MOHD SHAMI

Data Analyst | ML Engineer | Data Science

Email: (codexshami@gmail.com) **|Moradabad, India | +918923591576**

LinkedIn: (linkedin.com/in/codexshami) **| GitHub:** (github.com/codexshami)

SUMMARY

Detail-oriented Data Analyst and aspiring ML Engineer with strong expertise in data analysis, machine learning, and predictive modelling. Experienced in building real-world AI solutions with a focus on improving accuracy and efficiency. Passionate about transforming data into actionable insights and developing intelligent systems to solve complex problems.

SKILLS

- **Languages:** Python, R, SQL.
- **Frameworks:** TensorFlow, PyTorch, XGBoost.
- **Libraries:** NumPy, Pandas, Scikit-learn, Matplotlib, Seaborn.
- **Tools:** VS Code, Jupyter Notebook, Docker, Power BI, Excel, Tableau.
- **Soft Skills:** Problem Solving, Analytical Thinking, Communication, Teamwork.

WORK EXPERIENCE

Data Science Intern | Codec Technologies India **Aug 2025 - Oct 2025**

- Implemented data-driven healthcare analysis solutions
- Built predictive models for medical diagnosis with 85% accuracy

Data Analyst intern | Future intern Pvt Ltd **June 2025 - Aug 2025**

- Performed data analysis using Pandas and NumPy
- Developed Python scripts for data cleaning and preprocessing

PROJECTS

Revive – ML-Based Disease Prediction WebApp: codexshami/Revive **Jan 2026-Mar 2026**

- Improved Diagnosis accuracy from 72% → 85% using XGBoost, Reducing error by 18%.
- Python, Flask, Bootstrap, Machine Learning, XGBoost, GitHub.

HamOrSpam-Classifier: codexshami/HamOrSpam-Classifier **May 2025-Aug 2025**

- Email protection system that accurately classifies spam messages with 98%+ accuracy.
- TF-IDF Vectorization, SMOTE Balancing, NLP, Logistic Regression.

FarmAIQ – Smart Agriculture Recommendation System: codexshami/FarmAIQ **Dec 2025**

- Built an ML-based system for crop recommendation and disease detection using Python, achieving high prediction accuracy and enabling data-driven farming decisions.
- Python, Random Forest, CNN, Streamlit, ML, Kaggle.

EDUCATION

Teethanker Mahaveer University Moradabad

Bachelor of Technology- Data Science Uttar Pradesh, India

YGPA **- 8.5** 2023 - 2027

ACHIEVEMENTS

- Secured 1st rank in class for academic excellence.
- Selected in college-level round of SIH and advanced to next stage.

CERTIFICATES

- Problem farming and Data Analysis Planning, Getting Started with Data**:** **IBM (2026)**
- Deep Learning, Machine Learning using Python: **Simplilearn (2025)**
- Python, SQL, Problem Solving: **HackerRank (2025)**
- Advanced Data Analysis (Excel & Power BI): **ITM EdTech (2025)**
